CLASS OF 1982
YEARBOOK DEDICATION
MR. HOWARD GROOM

The Class of 1982 proudly dedicates our senior yearbook to Mr. Howard Groom. Mr. Groom has been our counselor and our friend for all of the years we have been students at Wachusett. Not only has he been available to help us with the many decisions we have had to make over the years but he has stood beside us in many of the activities of the class over the past four years. As our counselor he has been patient with us and done all he can to see us achieve our goals. As head class advisor he has been a major part of all of the activities we have taken part in since freshman year and has made us feel good about our class. He is a super gentleman who has put all of his heart and all of his effort into making us as individuals and as a class just a little better than when we entered Wachusett. We leave behind a dear friend; but one whom we shall never forget.

Thank you, Mr. Groom, for all you have done and for all the support you have given us. It's not good-bye — friends once, friends always!!! Thanks!!!

All our love,
The Class of 1982

Dear Members of the Class of 1982,

I consider it a privilege to be able to speak to graduating classes through their yearbook. It gives me a chance at a final goodbye and an opportunity to wish each and every one of you much happiness and success in the years that lie ahead.

I hope that your high school years have been productive ones; that you will look back on them with fond memories and with a satisfaction that comes from knowing that they were important years in your development as a young adult. We, who have traveled this road with you, look forward to hearing of your future successes, of your emergence as contributing members of our communities, as family members and as conquerors of the goals you set for yourselves.

These last four years have been full ones for all of you. High school years mix happiness and sadness, good times and bad, failure and success with sometimes bewildering speed. Remember the good times, learn from the bad times and always remember that in this life we can not do it alone. Give credit to those who have helped you along the way — your parents, friends and teachers — and determine to return the kindnesses you have received from others to those you meet along the way.

Finally, it is my hope that this yearbook might rekindle warm memories of your years at Wachusett as you take it down from the shelf from time to time. My best wishes to you as you now embark on the rest of your lives. God Bless and Keep In Touch.

Very truly yours,

Oh, go on now . . . I'm too humble to repeat that story . . . Once upon a time . . .

Unforgettable . . .

Actually I could do the problem in my head but I've got to *appear* modern!

If I could only suit up . . .

There is only one "Harry"!! Anywhere!!! And we're glad he's at Wachusett!

We've heard of open book exams but this is really crazy!!!

Mrs. D. and her labor force.

Remember . . .

Mr. Pregot learned on us then left for New York!!!

Never mind the sleepy look . . . no one *ever* pulled a fast one on Mrs. Hamilton!!!

Our beloved Mr. Griffin. Memories and advice he gave that will last our lifetime. Thanks!

Miss Baxter took a year to study Business Administration.

Word from Taiwan is that Mr. Mammone will be back in '83! He civilized them already??

. . . Dedicated . . .

In Memory

LINDA J. DICKIE

Linda didn't attend Wachusett for more than just a few days before the illness that she had fought so long claimed her. But those who knew her here — and most especially those from Mt. View Junior High School — will always remember her courage, her unfailing good spirits, and her indomitable will to live. Those who remember her Mt. View years recall a talented and gifted athlete, a good and close friend, and a person with a very strong and gentle sense of humor. A very warm human being, part of a caring and supportive family, the quality of Linda's life far surpassed the length of it. We, the Class of '82, remember with fondness her days with us and are proud to keep her memory alive through this memorial page in our yearbook.

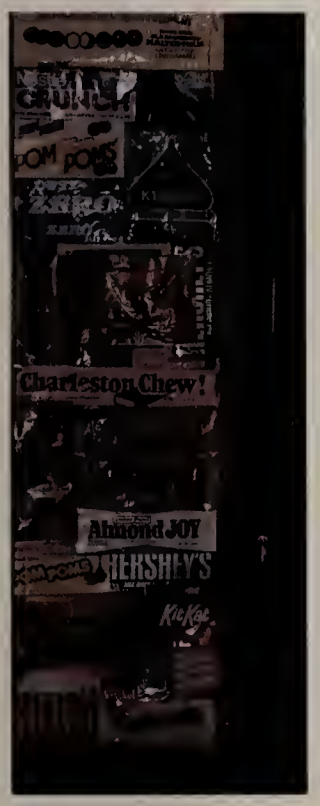
Sometimes good-byes are not forever
—
In all that is around me, I see you.
I hear your laughter in the wind and
feel your tears in the rain.
There's no need to search for
happiness
It's in the life we lead and the friends
we make;
It's how we travel, not the destination;
It's the quality of our life, not the
quantity.
Another flower blooms and another
child smiles,
and in these things I see you.
The summer breeze passes by, leaving
the sweet aroma of the memories
I hold —
And I smile, for truly I was blessed to
have shared that
Part of my life with you.
This is not the final curtain, nor the last
good-bye —
In all that is around me, I see you
And I shall see you again!

Chris Lane, '82

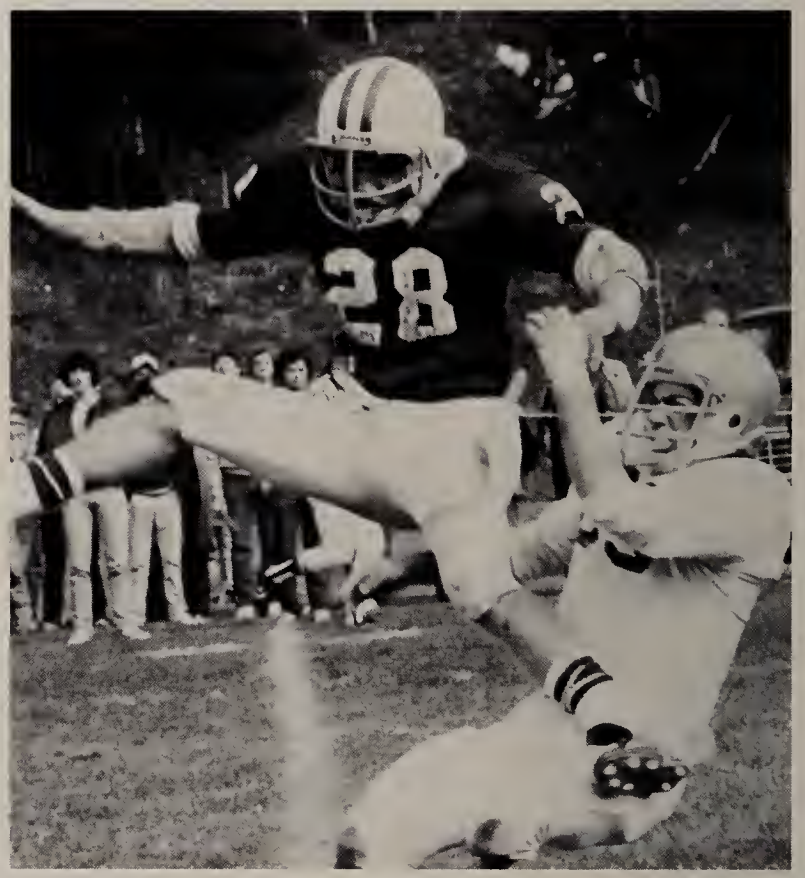
CAROLYN A. MAYNARD

Life is flowing into the earth from which it came

And it is becoming tall grass and violets

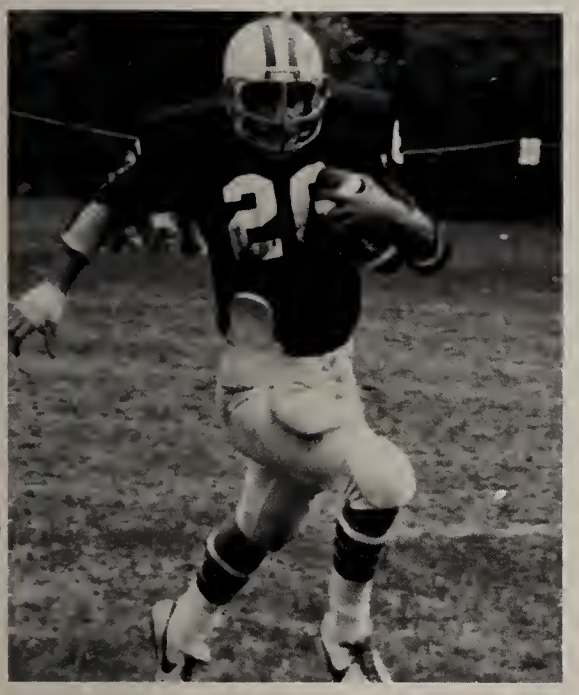


It is changing
Into velvety
moss
And
Snow white
mushrooms

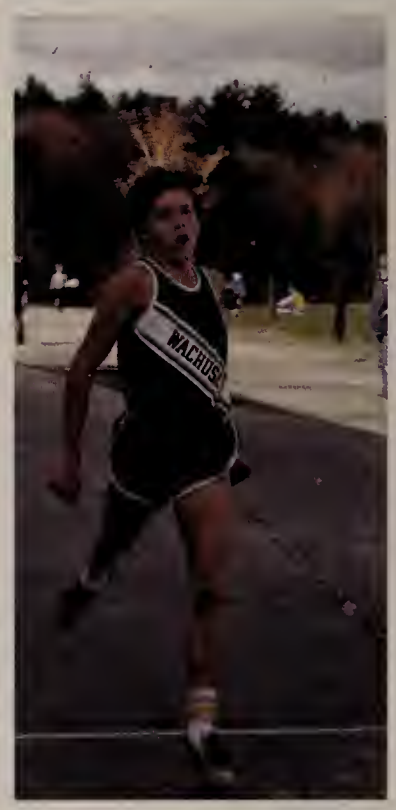


And so its life will go on

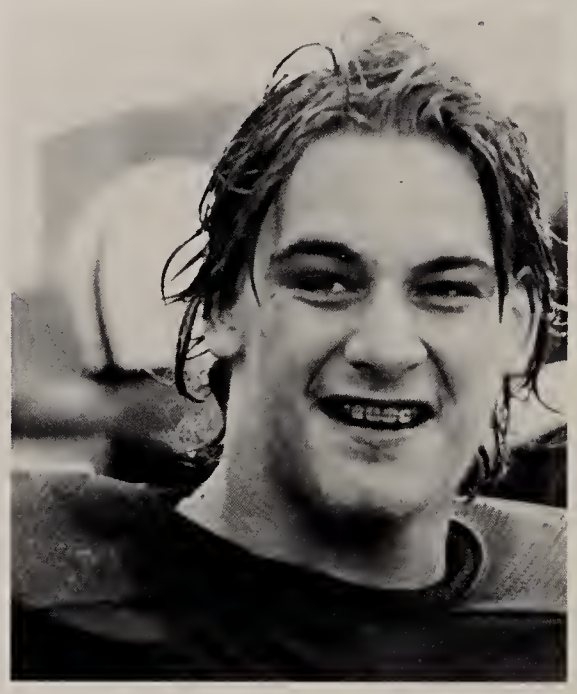
In the endless procession of the seasons



We see the assurance of the endless cycle of life



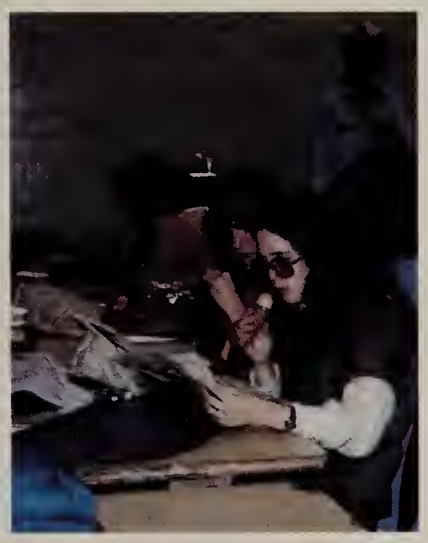
Carrying us beyond the mystery



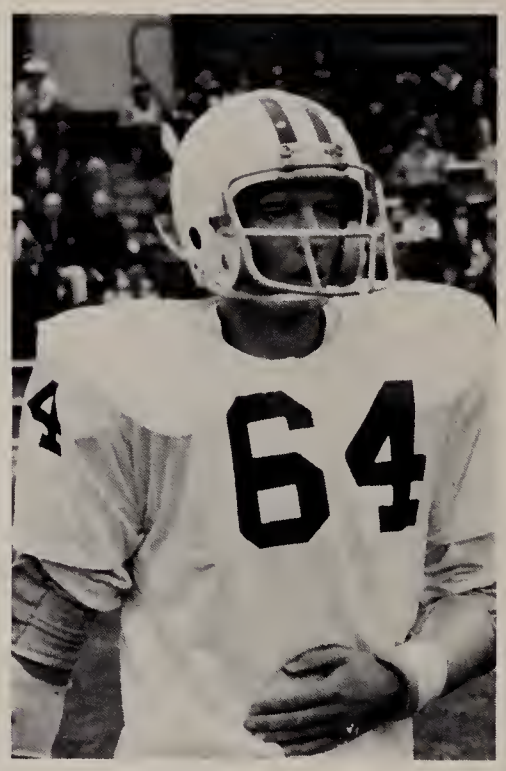
Into a place where the
seasons
Of the heart will turn
forever

They wind through the beauty of the world

Through the secrets of our own hearts



Drawing ever closer to the Source of Life



We find that
We never see
shadows

As long as we face the sun

And we understand that the joy
Of our days is truly unlimited

When we look up into the
unknown

And count the stars

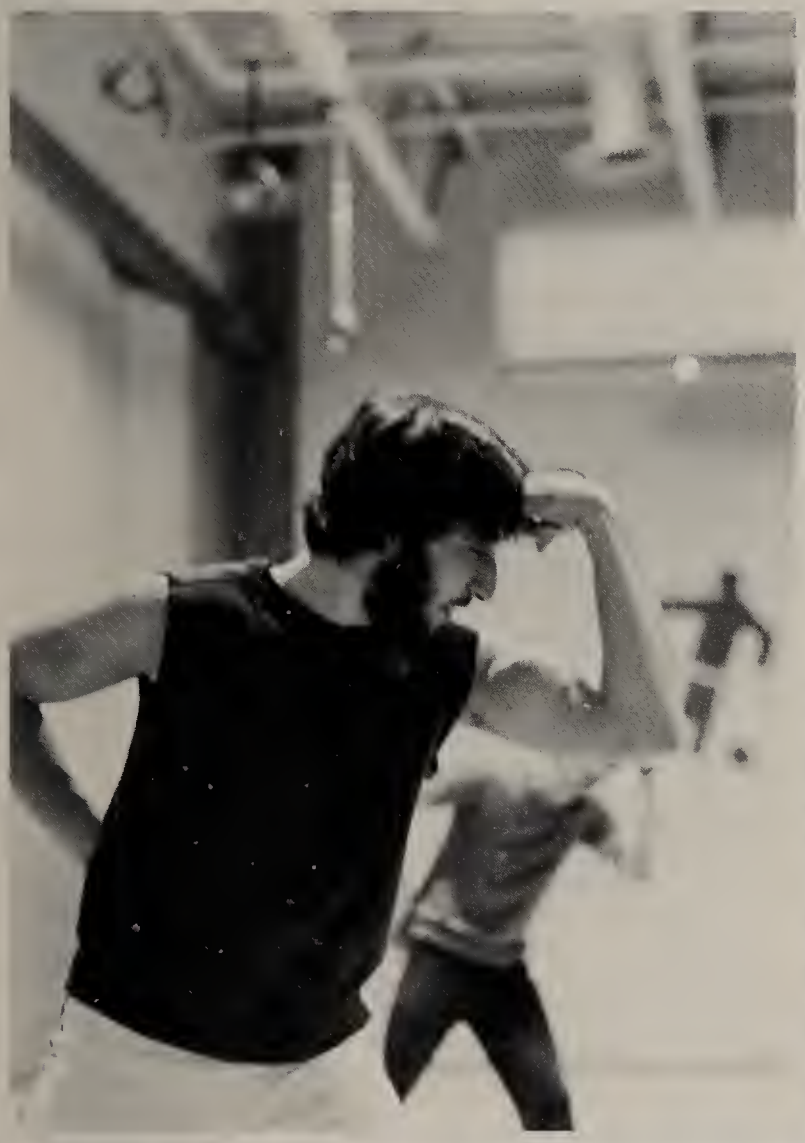
OUR LAST GOODBYE



CLASS OF '82
TOP TEN PICS

In the Fall of 1981, the Yearbook Editors distributed a questionnaire to all members of the Class of '82 asking them to list their favorite musical group, male and female vocalist, book, movie and television shows. The results listed below give you the Top Ten in each category from the Class of 1982:

FAVORITE MUSIC GROUP

1. The Rolling Stones
2. The Doors
3. Journey
   Beatles
5. The Grateful Dead
6. Crosby, Stills, Nash and Young
7. Lynyrd Skynyrd
8. Led Zeppelin
9. Eagles
10. Air Supply
    Pink Floyd
    The Who

In all 64 groups were listed as favorites. Besides those listed above the following were among the groups picked by someone: Plasmatics, Kiss, Aerosmith, Ozzy Osborne, Rossington Collins Band, Wind and Fire, and Simon and Garfunkel.

FAVORITE MALE VOCALIST

1. Neil Young
2. Bob Seger
3. Bruce Springsteen
4. James Taylor
5. Jim Morrison
6. Mick Jagger
7. Kenny Rogers
8. Steve Perry
9. Dan Fogelburg
10. Jimi Hendrix
    Jerry Garcia

FAVORITE FEMALE VOCALIST

1. Pat Benatar
2. Janis Joplin
3. Stevie Nicks
4. Carly Simon
5. Carole King
6. Barbra Streisand
7. Debra Harry
   Ann Wilson
9. Linda Ronstadt
10. Olivia Newton-John
    Dale Krantz

57 male vocalists received votes and no one ran away from the pack. On the female side, however, Pat Benatar received a better than 2-1 margin over her nearest rival in a run-away ballot. Among other males and females to receive votes were: Neil Diamond, Barry Manillow, Greg Allman, Cat Stevens, Harry Chapin, Donny Osmond, John Denver, Jackson Browne and Rick Springfield on the male side and Sheena Easton, Donna Summer, Joan Baez, Barbara Mandrell, Juice Newton and Miss Piggy on the distaff side.

FAVORITE BOOK

1. *The Hobbit* (Tolkien)
2. *The Thornbirds* (McCullough)
3. *Lord of the Rings* (Tolkien)
4. *Walden* (Thoreau)
   No One Here Gets Out Alive (Hopkins)
5. *Catcher in the Rye* (Salinger)
6. *The Shining* (King)
   The Promise (Potok)
9. *Roots* (Haley)
   Amityville Horror (Anson)

With over 168 titles receiving votes there was no clear-cut winner here. It is interesting to note, however, that one author has two books in the Top Ten and that Thoreau's *Walden* should finish a strong fourth. Other books listed included: *Stuart Little, Valley of the Dolls, Scarlet Letter, West Side Story, Siddhartha* and *Kidnapped.*

FAVORITE MOVIE

1. *Stripes*
2. *Raiders of the Lost Ark*
3. *Arthur*
4. *Star Wars*
5. *American Werewolf in London*
6. *Excalibur*
7. *Goodbye Girl*
8. *Grease*
9. *Ordinary People*
10. *Airplane*

The immediacy of the movies picked is apparent in the above list — six of the Top Ten were made in 1981. It may or may not be significant that six of the class's favorite movies were comedies and only one a psychological movie of real life problems. 117 titles were offered up in this category. Some others on the list were Animal House, Gone With the Wind, The Sound of Music and *Romeo and Juliet.*

FAVORITE TELEVISION SHOWS

1. *M*A*S*H*
2. *General Hospital*
3. *Taxi*
4. *Saturday Night Live*
5. *Dukes of Hazzard*
6. *Fridays*
7. *Hill Street Blues*
8. *Bosom Buddies*
9. *All in the Family*
10. *Bugs Bunny/Roadrunner Hour*
    Magnum P.I.
    Benny Hill

The first two shows listed in the above Top Ten Television Shows captured as many votes as all of the others on the list did combined! M*A*S*H* has announced it will film only one more series of new episodes but the daytime soap, *General Hospital* promises no let up of personal tragedies, revolving-door-romances, and other sensational cliff-hanging episodes. In all 75 shows were listed in this category. Among other shows listed were *Quincy, Mork & Mindy, The Muppets, 60 Minutes, Barney Miller* and *Happy Days.*

The above TOP TENS probably don't surprise many of you even though you may not have voted for them. The fun will come years after your Graduation from W.R.H.S. when you look back at these picks and try to recall the favorites of the Class of 1982!!

Creative Arts

Balloons on a string, when let

to fly free,

Go their own ways,

Until someday their winds cross.

The
flowers are still,
the clouds are mindlessly
gliding through the
sky.
Motion has ended,
no breath stirs the flowers,
anymore.
Why? Why did this
have to happen?
It's okay, now,
no more pain, no more
suffering in this never-ending
hell hole of a world.
The flowers have bloomed,
the clouds have regained their
strength
and flowed together
again. It's okay...

A Song for the Singers

Here we're sitting in our circle,
A chain of friendship to which nothing can compare.
Thinking of how we formed a family,
Thinking of all the times and songs we've shared.

And all the wins we've proudly earned,
It isn't hard to say we're not far from the best.
All we have to do is sing,
And let the music do the rest.

And so tonight we'll go on stage,
A familiar place — we've been there many times.
In different towns and different countries,
In different languages and rhymes.

So here's a song for the Singers.
For us it's singing that we like to do best.
Grace stands in front of us to help us keep the time,
We let the music do the rest.

And there's the empty stage before us
And the audience is waiting.
Music fills the air, we feel it everywhere.

It's something unknown inside of us
That keeps us driving on.

With our hearts to lead us
For the people who need us
It's the music that's freed us —

So here's a song for the Singers.
We owe it to ourselves to have our own song.
And for those of us who must be going,
We trust the rest to carry on.

So just remember you're a Singer.
I hope that's something that you never can forget.
Just keep a smile in your heart,
And let the music do the rest.

TWO TREES STAND TOGETHER,

TWO SINGULAR TREES,
NOT MATCHED BARK FOR BARK
NOR BRANCH FOR BRANCH,
ROOTED CLOSELY YET SEPARATELY

ON ICE-COATED EVENINGS THEY BEND,
FITTING CURVE TO CURVE,
GLAZED BRANCH TO FROSTED LIMB.
IN FIELD WINDS, ONE BRACES THE OTHER.
FLAT, SILVER-GREEN, GREEN-SILVER LEAVES
SPIN SHELTER FOR FRAGILE, TOOTHED BLADES.

ON SUN LIT MORNINGS THEY STAND
REACHING TO LIGHT,
FINGER LEAVES PRESSING FOR SIMILAR SKY,
EACH WARMED EQUALLY BY THE SUN,

— *April*

Do not stand at her grave and weep,
She is not there in silent sleep.
She is the soft, gentle
winds that blow;
the sun shimmering off
new fallen snow.
She is a star that
shines at night;
the flickering red flame
of a candle's light.
She is the autumn leaf
silently falling;
the mournful sound of a
mother dove calling.
Do not stand at her grave and cry,
She is not there. She did not die.

Hunting Grapes With Carrie

The hunting season came each year about the time of your birthday. We knew it was here when the sharp, biting smell of ripe grapes caught our noses as we passed along the stone wall behind your house. We made our plans on your sun-drenched picnic table. Grocery bag in hand, we crept stealthily across the Foster's back yard, crunching dead leaves and kicking the wormy apples away.

Cambell's grapes were closest, but they always ripened last. There were only hard green pebbles hidden between the heart shaped leaves. The spiraling rings of vine made beautiful curls though, I twined my skinny straight hair around them, and you had to untangle the mess.

You took the lead. I hung back, wary of the NO TRESPASSING sign rusting on the fence behind the junior high. Ahh! Luscious purple-black clumps leaned against the sky, too proud to hide their glossy pelts behind dull shadow. They would make easy prey for our eager fingers. As usual, you were the daring one who climbed up the wire fence, trying not to get your toes stuck in the small spaces. I caught the few bunches you dropped and reverently placed them in the brown sack.

We both knew the grapes on the other side were better, but only you had the audacity to suggest we sneak beneath the watchful windows of the grey house and take them. Quickly now, we gathered the helpless bunches, crushing some and feeling the sting of their blood as it stained our greedy fingers. Stories of the vicious black beast that guarded the house spurred us on. Our courage gave way and we fled past the school, until panting, we reached the safety of cars and asphalt. The extra loop through the tangled bushes behind Budd's house didn't flush out any more game, so we returned to the picnic table, now lying in the shade.

I emptied our catch upon the table and sat beside it, popping grapes in my mouth and picking splinters out of my legs. There was only one acceptable way to eat grapes. First, we pressed the side of a grape so the skin split, exposing the bitter-sweet green flesh inside. The four seeds were pushed between our teeth and spat upon the browning grass. The skins were eaten last. After our acid-numbed tongues could take no more, we divided the remaining grapes and put them back in our bags. You walked up the few steps to your back door and waved good-bye.

Kristin Bluemel, '82

P.P.

What happened to
that apple tree we use to climb
and sit and talk about life
for hours on end?
Clothes, make-up, popularity, boys,
Wow, these things were important.

Why don't you call me Joe anymore
or sign your name Sam?
We were pretty sly, weren't we?
No one would ever figure out who Joe and Sam were.
Even if they caught one of our notes
flying over the teacher's head
because I had to tell you something funny.

Where did our book of inside jokes go?
There must have been 1,000 pages.
Giggling and no one would know what for,
except me and you of course.
What a pair we were, inseperable.

I've sometimes searched for these wonderful times.
I thought for a moment that they were lost.
But then realized
as we both grew up
and began new lives,
they were transformed into a whirl of memories,
precious and happy memories,
which I see
every time I think of you.

In a sense Proposition 2½ graduates me this year. April, as I write, and already I meander the halls a terminal patient savoring the moments: lockers clanging and the smell of rain damp coats; students with open, masked, unfathomable faces hustling past; a bell jarring; a former student shyly smiling hi. I smile back -- it and the recognition in her eyes invaluable to the ghost I am becoming.

Although I have not had the pleasure of working with you as a group, I know from having talked with your administrator for three years, Mr. Pregot, that you have distinguished yourselves as a diligent, hardworking and energetic class. As each of you leave Wachusett, I hope that you will continue, in the spirit of the class, to make your mark in the world, and to lead happy, successful lives.

Bernard Tremblay

Since I started teaching here at Wachusett at the same time that the Class of '82 entered as freshmen, I feel a special attachment for the members of the class. I only wish that the "outside world" had a somewhat less hostile greeting for the Class of '82. College aid has been cut and employment stands at the highest level since the end of World War II.
I wish the fine young people in this year's graduating class the best of luck !!
They most certainly will need it !!!

Teacher Talk

There are some students in the Class of '82 that will be dearly missed by me and the music department. These students have grown so much musically in four years, perhaps more than any other class that has graduated from Wachusett. They were only casually interested in music as freshmen and now 8 of them are planning a career in music. Thank you for four memorable and rewarding years !!!

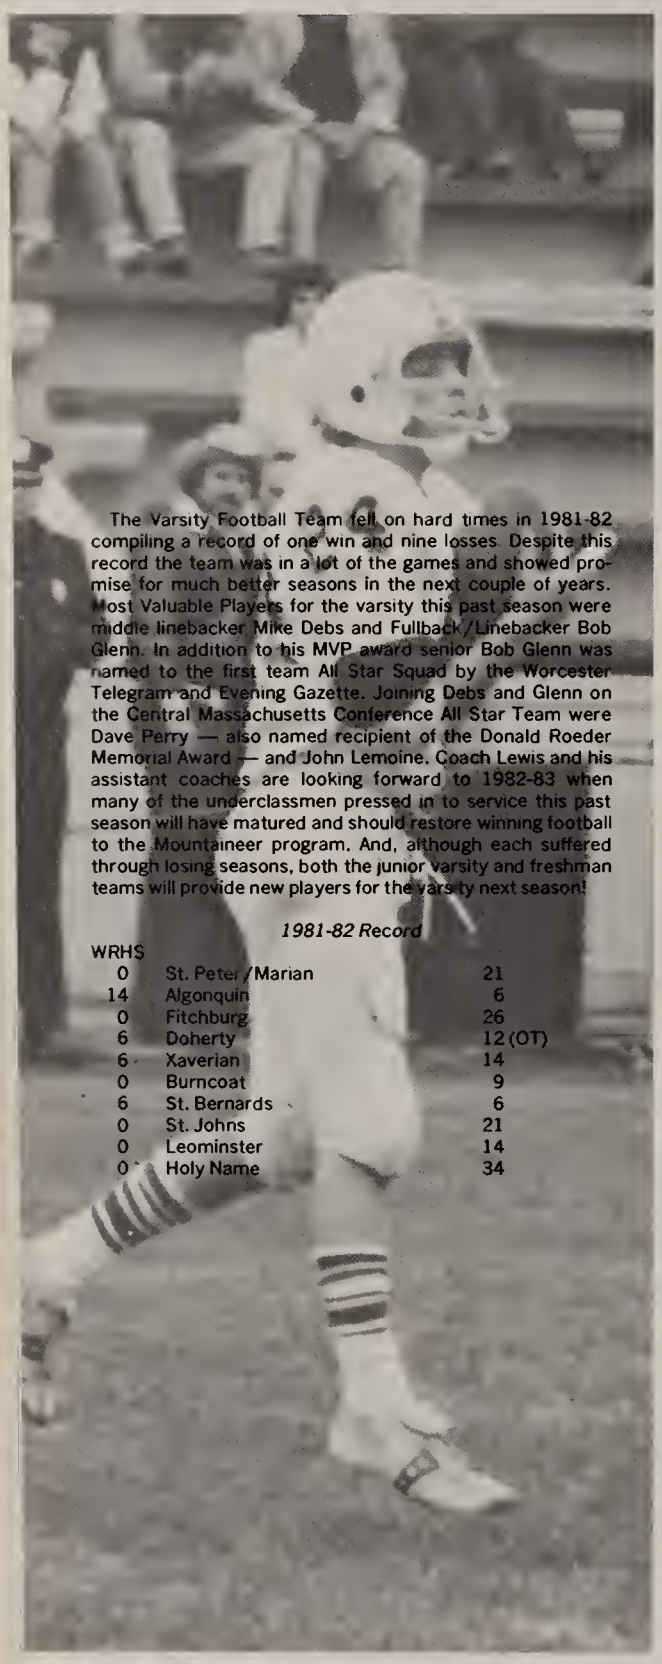
FOOTBALL



The Varsity Football Team fell on hard times in 1981-82 compiling a record of one win and nine losses. Despite this record the team was in a lot of the games and showed promise for much better seasons in the next couple of years. Most Valuable Players for the varsity this past season were middle linebacker Mike Debs and Fullback/Linebacker Bob Glenn. In addition to his MVP award senior Bob Glenn was named to the first team All Star Squad by the Worcester Telegram and Evening Gazette. Joining Debs and Glenn on the Central Massachusetts Conference All Star Team were Dave Perry — also named recipient of the Donald Roeder Memorial Award — and John Lemoine. Coach Lewis and his assistant coaches are looking forward to 1982-83 when many of the underclassmen pressed in to service this past season will have matured and should restore winning football to the Mountaineer program. And, although each suffered through losing seasons, both the junior varsity and freshman teams will provide new players for the varsity next season!

CROSS COUNTRY

The Boys' Cross Country Team finished the season just one meet under the .500 mark with a 6 wins and 7 losses record in dual meets. Despite this losing record — the first in the history of Boys' Cross Country at Wachusett — the team finished third in the Central Massachusetts Conference, sixth in the Wachusett Invitational's 25th Anniversary Meet and a creditable thirteenth in the District III All-Schools Meet. Most Valuable Player for this year's male harriers was senior Greg Smith, who broke his own Wachusett course record on two occasions this past season. Co-Most Valuable Player was Senior Scott Howard who continued his consistently winning ways for the fourth successive season. Scott and Greg were also named to the C.M.C. All Star Team as a result of their strong finishes in the Conference Meet. With five juniors and a sophomore returning from this year's squad Coach Warren is hopeful that his harrier team will rediscover the winning habit in 1982-83.

Once again the W.R.H.S. Girls' Cross Country team had a most successful season under the direction of Coach Larry Jaquith, finishing with a dual meet record of eight wins and only three losses. The female harriers finished in second place in the Central Massachusetts Conference, were third in the Kiwanis International, fourth in the Nashoba Invitational and fifth in the county in the District III All Class Championship. With only Senior Co-Captains Allysen Meymaris and Monique Paquette graduating and the top four runners all returning 1982-83 should prove to be another exceptional year for this team.

Team Most Valuable Player in 1981-82 was Senior Co-Captain Allysen Meymaris. Three members of the squad — all sophomores were named to the C.M.C. All Star Team by virtue of their finish in the All-C.M.C. Meet. They are Jeanette Cheetham, Doreen Ferguson and Tina Peters.

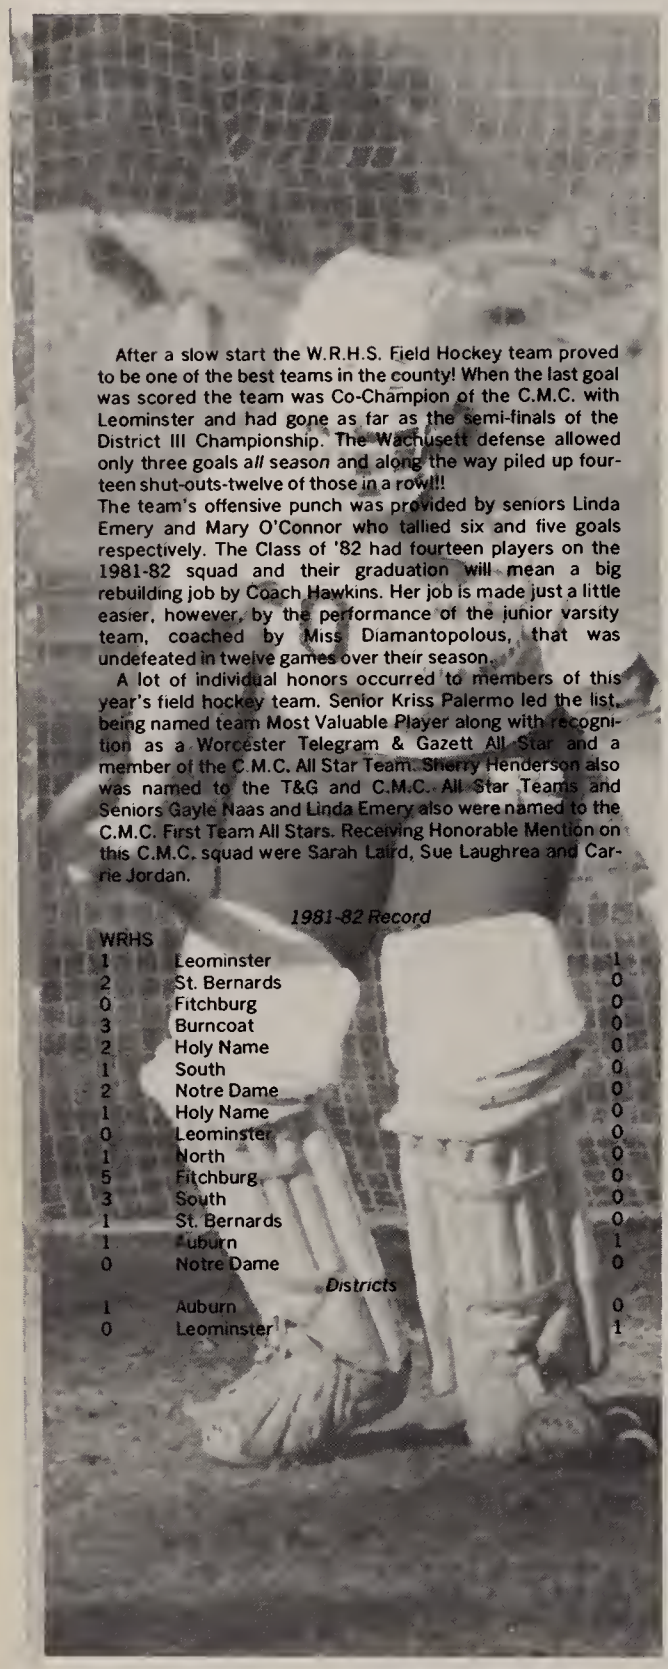
FIELD HOCKEY



After a slow start the W.R.H.S. Field Hockey team proved to be one of the best teams in the county! When the last goal was scored the team was Co-Champion of the C.M.C. with Leominster and had gone as far as the semi-finals of the District III Championship. The Wachusett defense allowed only three goals *all season* and along the way piled up fourteen shut-outs-twelve of those in a row!!!

The team's offensive punch was provided by seniors Linda Emery and Mary O'Connor who tallied six and five goals respectively. The Class of '82 had fourteen players on the 1981-82 squad and their graduation will mean a big rebuilding job by Coach Hawkins. Her job is made just a little easier, however, by the performance of the junior varsity team, coached by Miss Diamantopolous, that was undefeated in twelve games over their season.

A lot of individual honors occurred to members of this year's field hockey team. Senior Kriss Palermo led the list, being named team Most Valuable Player along with recognition as a Worcester Telegram & Gazett All Star and a member of the C.M.C. All Star Team. Sherry Henderson also was named to the T&G and C.M.C. All Star Teams and Seniors Gayle Naas and Linda Emery also were named to the C.M.C. First Team All Stars. Receiving Honorable Mention on this C.M.C. squad were Sarah Laird, Sue Laughrea and Carrie Jordan.

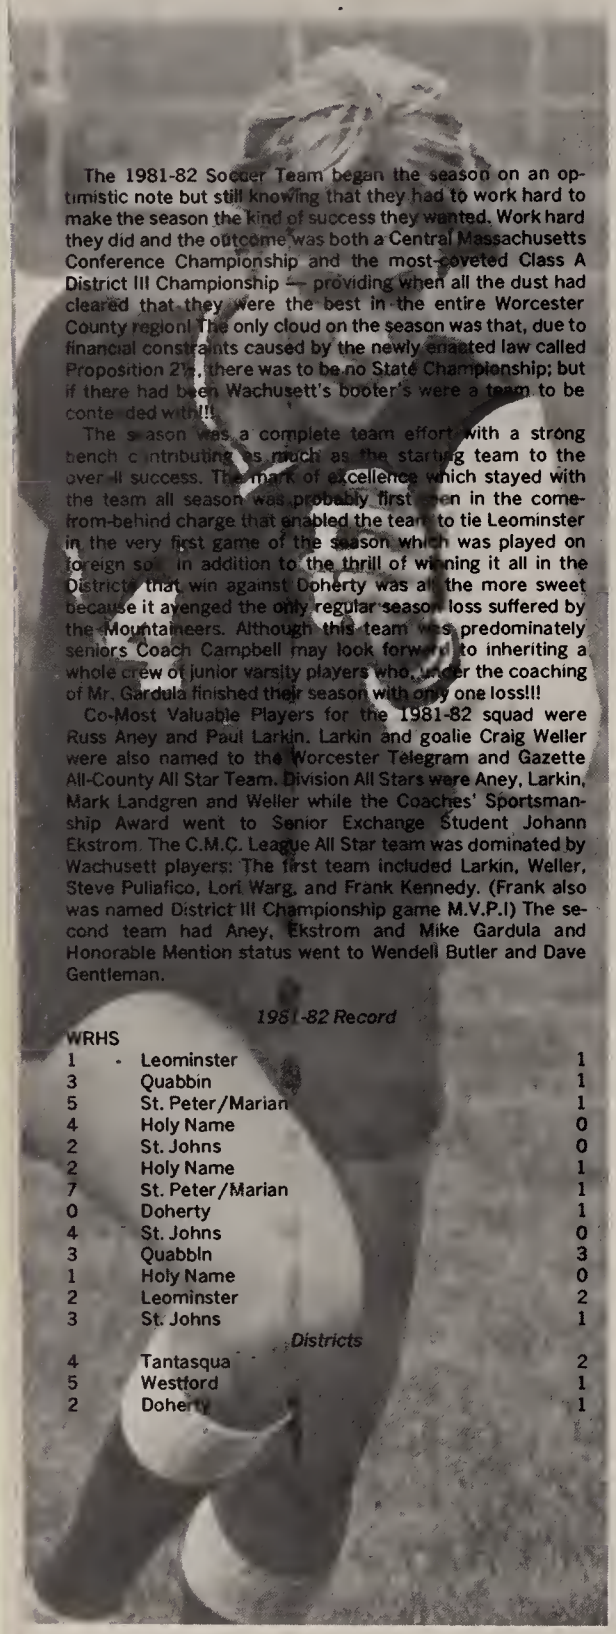
SOCCER



The 1981-82 Soccer Team began the season on an optimistic note but still knowing that they had to work hard to make the season the kind of success they wanted. Work hard they did and the outcome was both a Central Massachusetts Conference Championship and the most-coveted Class A District III Championship — providing when all the dust had cleared that they were the best in the entire Worcester County region! The only cloud on the season was that, due to financial constraints caused by the newly enacted law called Proposition 2½, there was to be no State Championship; but if there had been Wachusett's booter's were a team to be contended with!!!

The season was a complete team effort with a strong bench contributing as much as the starting team to the overall success. The mark of excellence which stayed with the team all season was probably first seen in the come-from-behind charge that enabled the team to tie Leominster in the very first game of the season which was played on foreign soil. In addition to the thrill of winning it all in the District's that win against Doherty was all the more sweet because it avenged the only regular season loss suffered by the Mountaineers. Although this team was predominately seniors Coach Campbell may look forward to inheriting a whole crew of junior varsity players who, under the coaching of Mr. Gardula finished their season with only one loss!!!

Co-Most Valuable Players for the 1981-82 squad were Russ Aney and Paul Larkin. Larkin and goalie Craig Weller were also named to the Worcester Telegram and Gazette All-County All Star Team. Division All Stars were Aney, Larkin, Mark Landgren and Weller while the Coaches' Sportsmanship Award went to Senior Exchange Student Johann Ekstrom. The C.M.C. League All Star team was dominated by Wachusett players: The first team included Larkin, Weller, Steve Puliafico, Lori Warg, and Frank Kennedy. (Frank also was named District III Championship game M.V.P.!) The second team had Aney, Ekstrom and Mike Gardula and Honorable Mention status went to Wendell Butler and Dave Gentleman.

GYMNASTICS

BOYS' GYMNASTICS

The Boys' Gymnastics team was undefeated (7-0) in regular season competition and emerged as the District III Champions for the 1981-82 gymnastics season. Senior Frank Kennedy, who was outstanding all season, took 1st place in the side horse, 3rd place in the high bar, and 5th place all-around in the Districts. Seniors Dave Smaltz and Rich Becker took 5th in the Districts in the rings and high bar competition respectively. Paul Doolittle, '83, took 3rd in the floor exercises and junior stand-out Brian Smith, fantastic all season, copped first place in both the rings and parallel bars and was second all around in the District III individual competition — all this in addition to second place finished in the side horse and high bar!! With underclassmen like Smith and Doolittle returning in 1982-83 the Boy Gymnasts seem set for years to come. Coach John Domaingue was voted Gymnastics Coach of the Year by his peers in Worcester County for the second year in a row!!!

GIRLS' GYMNASTICS

The 1981-82 season was the most successful in the six year history of girls' gymnastics at Wachusett. To understand the significance of this statement you should know that in six years the girls have had only one loss!!! This year's team finished the regular season with 9 wins and 0 losses. With over eighty teams eligible, Wachusett was one of only eight teams selected to compete in the North Sectional Team meet and the Mountaineers' finished fifth in that contest — the highest finish in Worcester County!!!

The outstanding performer on this outstanding team was senior Paula Deperrio. In addition to being named her team's Most Valuable Player, Paula finished first on the uneven parallel bars and tied for third on the floor exercise at the Sectional team meet. To cap a brilliant high school career Paula was named to the Boston Globe All-Scholastic Team — one of only nine female gymnasts in the state to receive the honor.

VARSITY BOYS' BASKETBALL

The Boys' Varsity Basketball Team started out fairly promising in the early stages of the season and after eight games they had won as many as they had lost. Even the losses over the first eight games had been by slim margins and things looked promising as they prepared for the meet of their Central Massachusetts Conference season. A series of injuries and illnesses caught up with the team at this point in the season, however, and the team just wasn't able to put it all together again. Despite the losing record the 1981-82 team was marked by a quality of never giving up and the last four games of the season were perhaps the best played all year.

The Junior Varsity and Freshman Boys' teams had good seasons and there are a number of underclassmen eager to get some varsity experience next year. The next couple of years may be building ones for the Mountaineer males since only two letter winners will be returning next season. Coach Skip Knight chose senior point guard Mark Johns as the Most Valuable Player of the "81-'82 season.

— girls' -

The Mountaineers' Girls' Basketball team accomplished every goal they had in mind at the begining of the season. With a league record of 11-1 they are Co-Champions of the Central Massachusetts Conference — and they defeated co-champ St. Peter-Marian on the way to Wachusett's first-ever District III Championship for a girls' basketball team!!! Overall the Mountaineers were 19 wins and only 3 losses for the year! Named to the C.M.C. All Star Squad were seniors Debbie Austin and Lori Warg, junior Debbie Paquette, and Sophomore sensation Doreen Ferguson. The Telegram and Gazette Super Team placed Wachusett's Debbie Austin at one of the forward positions and the Class A team featured Doreen Ferguson at the center spot. At the Winter Sports Banquet Coach Jim Gately named Debbie Austin and Lori Warg as Co-MVP's! All in all the 1981-82 team had a tremendous season which they capped with an almost perfect four quarters of basketball against South Community High of Worcester in the District III Championship game played at Assumption College. Many observers say this is the best girls' basketball team in the history of Wachusett and only the absence of a state tournament this year perhaps stood in the way of this team bringing home a state championship. The girls on this team worked hard to become a tightly knit group and used this as a springboard to gather up momentum to become a real basketball power at the end of the year.

There appears to be no slow-up in sight either as Coach Roger Prince's Junior Varsity team and Coach Bruce Emery's freshman teams went through their seasons with only two losses combined!!!

WINTER TRACK

GIRLS' WINTER TRACK TEAM

The 1981-82 Girls' Winter Track team ended the season with a season's record of 2 wins and 3 losses. In the District III meet, however, the team took a better-than-respectable third place and a number of returning letter winners promise brighter things for this team in the future. Several of Coach MacCallum's girls set records this year and among them were Senior Nadine Mancevice who threw the shot-put 40′ 2″; Jennefer Narcisi who ran the 300 yard distance in 40.4 seconds; and the mile relay team of Julie Callahan, Jennifer Narcisi, Jeanette Sedgwick and Julie Williams who were clocked in 4 minutes and 19 seconds.

BOYS' WINTER TRACK TEAM

The male Mountaineers had a successful season, ending up with a record of 4 wins and 2 losses and they finished second in the central Massachusetts Conference and took fifth place in the District III meet. As with the girls team several of the boys broke Wachusett records this past year — Senior Mark Landgren jumped a record-high 6 feet, 2 inches to break a school record in the high jump that had lasted better than thirteen years. The mile relay team of exchange student Johan Ekstrom, Greg Smith, Peter Lanyon and Andy Munyan did a very fast three minutes and 49.1 seconds in that event. And Andy Munyan, '82 also took first place in the 100 yard dash in the District III meet.

HOCKEY

The 1981-82 Hockey team was an exciting team to watch. Although they finished the season one game below the break-even mark with a won-loss record of eight wins, nine losses and three ties, the team was in practically every game it played. A hard-hitting and close fore-checking team this year's edition of the Green Machine also showed promise for even better things in the year and years ahead as they played a large number of juniors and sophomores and even had a couple of very promising freshmen on the varsity squad. The Junior Varsity record of 5-6-1 was also reason for optimism as a number of those players will be promoted to varsity status in 1982-83. Senior Mike Gardula was named to the prestigious Telegram and Gazette Division I Honor Team and he was joined by fellow teammates Mark LaCahnce, John Marshall, Tom Raworth and Mike Hidenfelter on the Central Mass. Conference All Star Team.

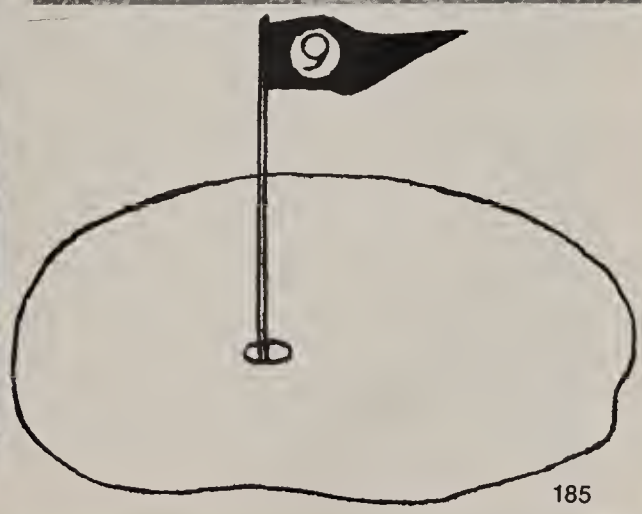
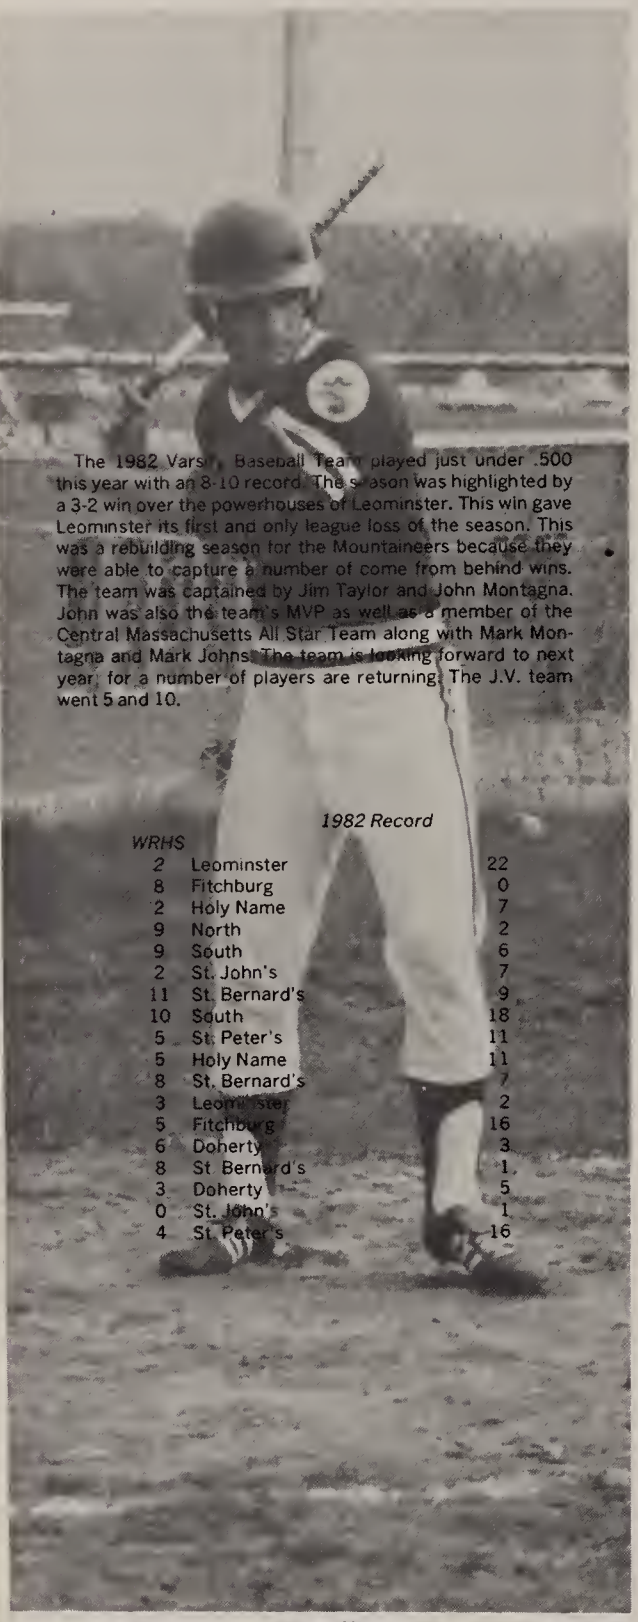
The 1982 Varsity Golf Team ended the season with a fairly respectable 9 win, 9 loss and 1 tie record. Playing in a tough league the Mountaineers began the season with five seniors — one freshman doing most of the competitive playing. During the course of the season several of the younger players began to develop nicely and the increased competition among the team made for a very successful second half of the season. In fact, when the season ended the line-up was one senior, two sophomores and three freshmen which bodes well for upcoming seasons. Captain for the 1982-Golf Team was senior Dan Mastrototaro who was also named to the Central Massachusetts Conference All Star team. In addition to Dan, sophomore Marck Lachance and Mike Paharik, a freshman, qualified to play in the District III Individual Championship.

In the annual Golf Team — Faculty Match at the end of the regular season Coach Spakauskas' team edged the teachers 10-9-1!



BASEBALL



The 1982 Varsity Baseball Team played just under .500 this year with an 8-10 record. The season was highlighted by a 3-2 win over the powerhouses of Leominster. This win gave Leominster its first and only league loss of the season. This was a rebuilding season for the Mountaineers because they were able to capture a number of come from behind wins. The team was captained by Jim Taylor and John Montagna. John was also the team's MVP as well as a member of the Central Massachusetts All Star Team along with Mark Montagna and Mark Johns. The team is looking forward to next year, for a number of players are returning. The J.V. team went 5 and 10.

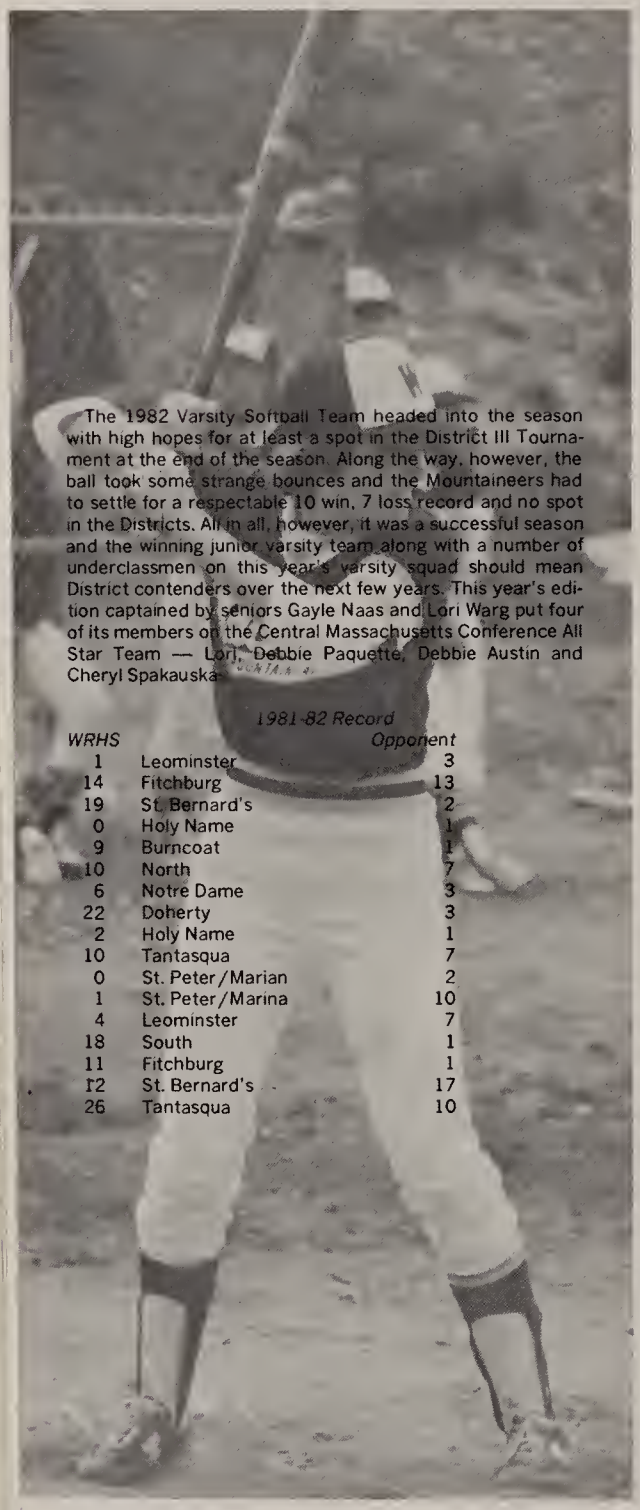
SOFTBALL



The 1982 Varsity Softball Team headed into the season with high hopes for at least a spot in the District III Tournament at the end of the season. Along the way, however, the ball took some strange bounces and the Mountaineers had to settle for a respectable 10 win, 7 loss record and no spot in the Districts. All in all, however, it was a successful season and the winning junior varsity team along with a number of underclassmen on this year's varsity squad should mean District contenders over the next few years. This year's edition captained by seniors Gayle Naas and Lori Warg put four of its members on the Central Massachusetts Conference All Star Team — Lori, Debbie Paquette, Debbie Austin and Cheryl Spakauska.

GIRLS SPRING TRACK

The Girls' Spring Track Team ran off a most successful seven win and two loss season. In addition to the successes in the regular season this team was very successful in District competition, finishing 3rd (of 20 teams) in the District Relays and 4th (of 30 teams) in the District All-Class Championship. Jen Narcissi was second high scorer in the District Championship Meet and qualified for the States in both the Long Jump and 4 x 110 Relay (with Cindy Ranta, Heather Lashbrook, and Kriss Palermo.) Sherry Henderson, Jeannette Sedgwick, and Nadine Mancevice also went to the unofficial "States" Meet this year. Coach Larry Jaquith named Jen Narcissi and Nadine Mancevice Co-MVP's and both girls were named to the C.M.C. All Star Squad along with teammates Katrina Kleber, Sandy Vinton, Roe Mathieu and Jeannette Sedgwick, all members of the W.R.H.S. Mile Relay Team. School records were set in the long jump (J. Narcissi — 16' 5 ¾"); discus (N. Mancevice — 115' 4"); 100 (J. Narcissi — 12.0); 220 (J. Narcissi — 26.8); 880 (R. Mathieu — 2.30.3); and 4 x 110 Relay (C. Ranta, H. Lashbrook, J. Sedgwick, J. BOYS' SPRING TRACK

With a team comprised mainly of seniors the 1982 Boys' Track Team compiled a winning record of six wins and five losses. The team was dominated by the work of seniors Mark Johnson (shot put, javelin, high hurdles and 440 relay) and Andy Munyan (long and triple jump, 100 yard dash, 330 hurdles). Mark Landgren excelled in the high jump and Greg Smith — *the first Wachusett athlete to receive twelve varsity letters* — was undefeated in the mile and two mile runs in all dual and conference meets. Records were set in the mile by Greg, in the high jump by Mark Landgren (6' 3") and in the mile relay (3:35.5) by A. Munyan, R. Elwell, P. Lanyon, and G. Smith. C.M.C. All Star honors were garnered by Andy Munyan, Greg Smith and Mark Landgren and Coach Warren named Andy Munyan and Greg Smith as his Co-MVP's for the season.

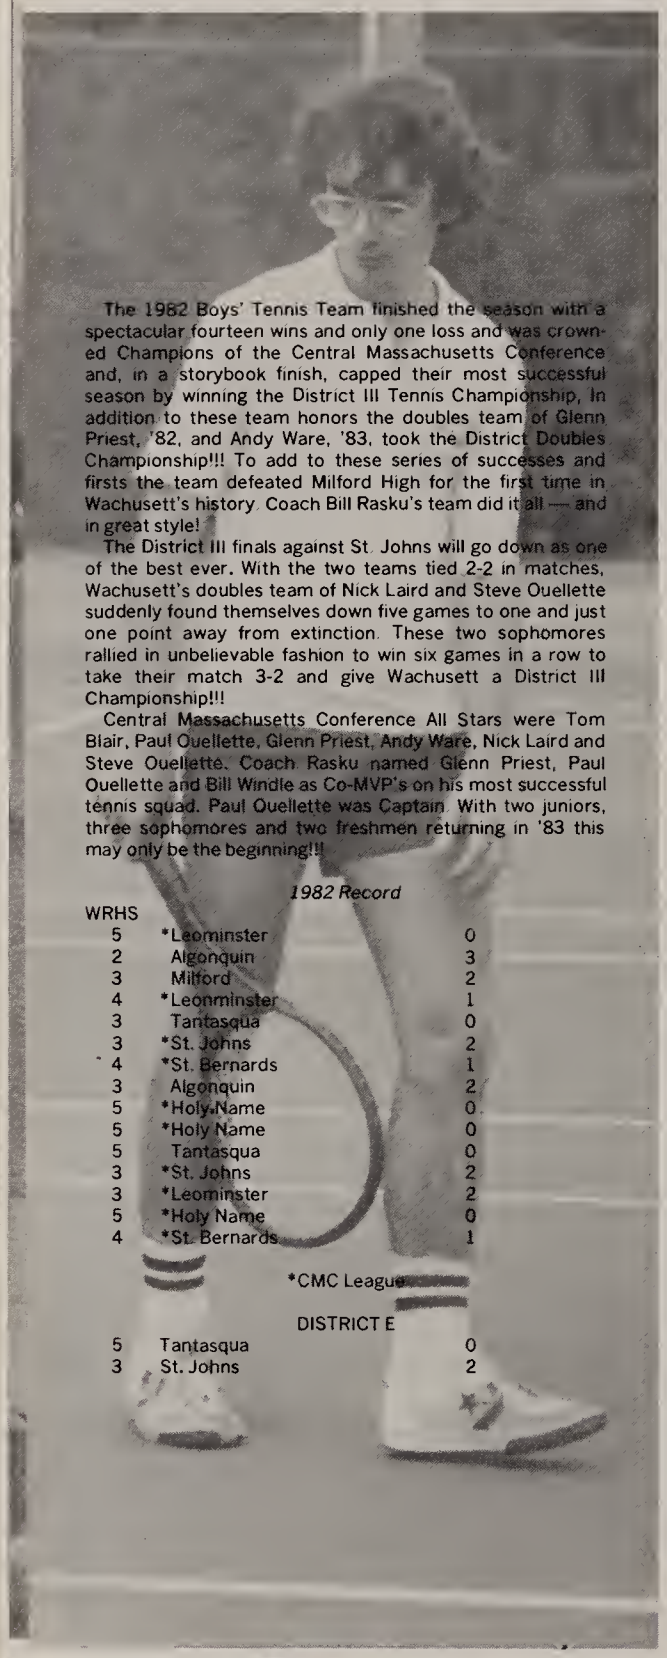
boys' TENNIS



The 1982 Boys' Tennis Team finished the season with a spectacular fourteen wins and only one loss and was crowned Champions of the Central Massachusetts Conference and, in a storybook finish, capped their most successful season by winning the District III Tennis Championship. In addition to these team honors the doubles team of Glenn Priest, '82, and Andy Ware, '83, took the District Doubles Championship!!! To add to these series of successes and firsts the team defeated Milford High for the first time in Wachusett's history. Coach Bill Rasku's team did it all — and in great style!

The District III finals against St. Johns will go down as one of the best ever. With the two teams tied 2-2 in matches, Wachusett's doubles team of Nick Laird and Steve Ouellette suddenly found themselves down five games to one and just one point away from extinction. These two sophomores rallied in unbelievable fashion to win six games in a row to take their match 3-2 and give Wachusett a District III Championship!!!

Central Massachusetts Conference All Stars were Tom Blair, Paul Ouellette, Glenn Priest, Andy Ware, Nick Laird and Steve Ouellette. Coach Rasku named Glenn Priest, Paul Ouellette and Bill Windle as Co-MVP's on his most successful tennis squad. Paul Ouellette was Captain. With two juniors, three sophomores and two freshmen returning in '83 this may only be the beginning!!!

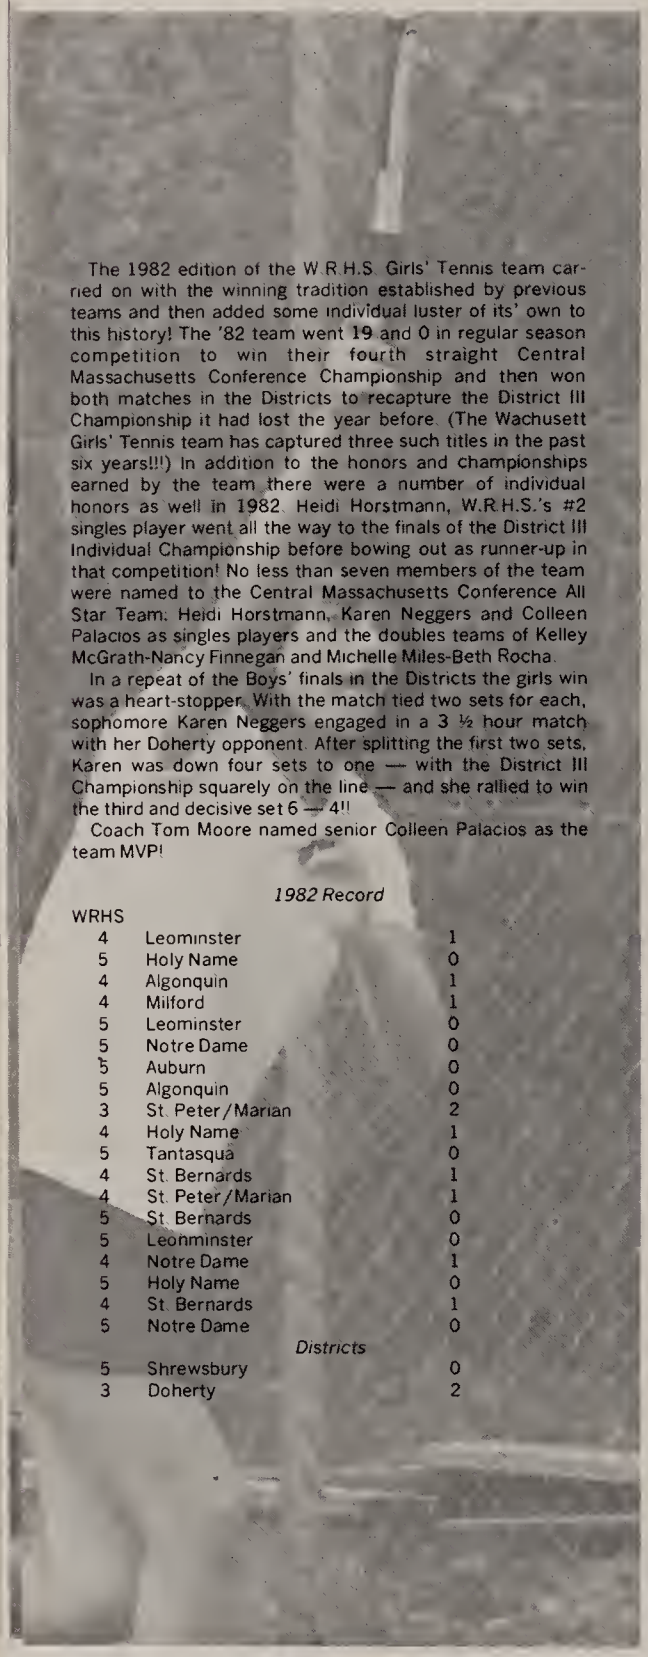
girls'



The 1982 edition of the W.R.H.S. Girls' Tennis team carried on with the winning tradition established by previous teams and then added some individual luster of its' own to this history! The '82 team went 19 and 0 in regular season competition to win their fourth straight Central Massachusetts Conference Championship and then won both matches in the Districts to recapture the District III Championship it had lost the year before. (The Wachusett Girls' Tennis team has captured three such titles in the past six years!!!) In addition to the honors and championships earned by the team there were a number of individual honors as well in 1982. Heidi Horstmann, W.R.H.S.'s #2 singles player went all the way to the finals of the District III Individual Championship before bowing out as runner-up in that competition! No less than seven members of the team were named to the Central Massachusetts Conference All Star Team: Heidi Horstmann, Karen Neggers and Colleen Palacios as singles players and the doubles teams of Kelley McGrath-Nancy Finnegan and Michelle Miles-Beth Rocha.

In a repeat of the Boys' finals in the Districts the girls win was a heart-stopper. With the match tied two sets for each, sophomore Karen Neggers engaged in a 3 ½ hour match with her Doherty opponent. After splitting the first two sets, Karen was down four sets to one — with the District III Championship squarely on the line — and she rallied to win the third and decisive set 6 — 4!!

Coach Tom Moore named senior Colleen Palacios as the team MVP!

UNDERCLASSMEN

CLASS OF '83 OFFICERS Front Row (L to R): Mary Donahue, Secretary; Kellie McGrath, President. **Back Row:** Kathleen Jones, Treasurer; Elliott Robbins, Vice President.

CLASS OF 1983

THE CLASS of 1983 has conducted a number of Fund-raisers and other activities over the course of the 3 years. During Freshman year a very successful Hebert candy sale added a substantial amount of money to the class Treasury. The Freshman Float, built for Homecoming, was not quite as successful, but was fun none the less. During Sophomore year the class ran a couple of very successful Fund-raisers including another Hebert candy sale and a Movie presentation of Walt Disney's *Jungle Book*. Over 500 people, mostly youngsters from Holden and the neighboring communities, enjoyed the movie in the Wachusett Auditorium. The class designed and built an excellent float that portrayed the comic strip characters from *Peanuts,* and although it finished third in the Homecoming Parade, many observers felt it was the best of all. During the Jr. year, (81-82) the class started the year off with a very successful dance featuring the well-known local rock band Chimera. Later in the year, the class ran a successful Calendar-Towel sale and produced another movie: Disney's *101 Dalmations* in the school auditorium. By spring plans for the Junior prom were being finalized. The Prom will be held at the new Worcester Marriot Hotel on May 28, 1982. The class looks forward to a very successful and fun-filled Senior year in 1982-83.

CLASS OF '84 OFFICERS Front Row (L to R): Katrina Kleber, Secretary; Todd Hammond, President. **Back Row:** William Scalzulli, Treasurer; Michael Rudin, Treasurer.

CLASS OF 1984

THE CLASS of 1984 participated in Homecoming, taking second place with its float depicting the song "Splish-Splash." Fundraising events for this school year included a small sale at Christmas time, and a moderately successful springtime sale. Class rings were ordered. The Class of 1984 is looking forward to planning its Junior Prom.

CLASS OF '85 OFFICERS Front Row (L to R): Jayne Holman, Vice President; Tammi Queeney, Secretary. **Back Row:** Gilbert Scott, Treasurer. **(Missing From Picture:** Bryan Griffin, President.)

CLASS OF 1985

THE CLASS OF 1985 came to Wachusett as freshmen in the fall of 1981 with big ideas. The first task they had was to develop a Homecoming float. The float, "The Yellow Submarine," took 4th place in the competition. For their first fundraising project the Class of '85 sold 'Safety Kits' and the results were good for their beginning treasury. An April Fools dance was the first such activity for the Class of '85 and it was very successful both socially and financially. During the spring of their freshman year they sold beach towels. With freshman year behind them, the Class of '85 looks forward to the next three!!

Special Events

1981-82 was a busy school year. When we returned to school in September the very face of the building was changing. The corridor between the agriculture and industrial arts shops was closed and a new corridor that would connect the second floor from Room 214 to Room 234 was in place although not usuable until after the Christmas vacation. Construction on the perimeter of the building was all around us and inside a new library, shops and art rooms were being constructed. One of our first big events was the Second Annual Rally on the front lawn where all 1800+ of the student body and staff gathered for a rare all-school assembly. This section in the Yearbook starts with these events and then takes a look at some of the really SPECIAL EVENTS of the 1981-82 school year — with a backward glance once to catch glimpses of the Class of '82's Junior Prom.

Homecoming Game — An Overtime Defeat

The largest crowd to watch an athletic event all year long turned out for the Homecoming football game against Doherty and they were treated to a real thriller. The Wachusett offense came back to tie Doherty and took the game to sudden death overtime where Doherty emerged battered but victorious — a 12-6 winner. The game was also the setting for the crowning of Homecoming Queen Missy Drinon, '84, and the awarding of trophies for best float — captured by the Class of '83.

The poster proclaims the performance is upcoming!

For two weekends in December Wachusett became Broadway as *Fiddler on the Roof* played to near-sell-out audiences for four performances. Directed by Miss Lee Ann Hedberg and Miss Debbie Smith this was one of Wachusett's finest musical performances. The acting and singing were superb, the dances, choreographed by our own Ms. Mary Wanamaker were outstanding and the sets and costumes dazzled everyone. The bitter-sweet story of the changing lifestyle of simple Jewish peasants strikes a chord in all of us and this production of *Fiddler on the Roof* did justice to all of the companies that have produced this play since it was written twenty years ago.

Over the course of the school year the various performing groups of the Department put on several concerts — the Fall and Spring Concerts, the very popular Holiday Concert in December and others spread throughout the year. The scenes on these two pages were shot primarily at the Holiday Concert and at rehearsal sessions for that and other concerts throughout the fall and winter. In addition to their own performances the Jazz Ensemble played for the "Jazz Jam" section of this year's Dance Theatre Concert in late winter.

COMES
A
TIME

It was a beautiful night for dancing, dreaming, being in love. In the middle of the evening the band picked the Queen and Her Court for the Class of 1982's Junior Prom. Starting from the picture to the top left above, clockwise, we see (A) the finalists and their escorts enjoying a final dance before the Queen and Her Court were chosen. (B) Surprise registering on the face of our Queen, Betsy Mowry. (C) Queen Betsy receives her crown from Mrs. Morris. And (D) The Queen and Her Court: Left to Right behind Betsy are Sue Wardzala, Julie Castagnetti, Alison Dunshee, Carrie Jordan, Beth Litterio, and Jill Graham.

Gymnastics Show

The evening began with some rapid-fire vaulting!

After completing undefeated seasons the Boys' and Girls' Gymnastics teams pooled their talents to present the Annual Gymnastics Show for the entire community. In addition to showing the skills that earned each team honors during the season the gymnasts had a ball doing rapid-fire vaulting, elephant jumping, and "body" leaping. The show played to the largest single audience for an inside athletic contest during the 1981-82 school year.

Coach John Domaingue M.C.'d the affair.

So you think only O.J. can fly through airports!!!

Clubs

STUDENT COUNCIL

Students from each class are elected to the Student Council which provides a democratic forum from which students can address those school-related issues which affect their lives. In addition to discussing and acting on such issues, the Council offers a year-long program of social functions and community involvement projects. In 1981-82 activities have included such traditional events as Homecoming, Parents' Night, and a couple of dances. The Council this year also sponsored a Potluck Supper for School Committee and parents; a Buffet Lunch for the faculty, and a hilarious Male Beauty Contest. Our Student Council is very active in the county and state associations and in the summer of '81 Council Member Lynne White attended the National Association of Student Councils Annual Meeting in Arizona. This year has been a very productive one for the Council!

STUDENT COUNCIL OFFICERS

The officers of the Council are elected by the membership and they serve a term of one school year. All members of the Council are eligible to become officers.

Pictured at right are *Front Row, L to R:* Carrie Jordan, President; Lynne White, Vice President. *Second Row:* John Budd, Treasurer; Lisa Higgins, Secretary.

ACADEMIC ADVISORY BOARD

The Academic Advisory Board acts in an advisory role to the High School Administration on academic matters. The A.A.B. consists of six teachers elected by the faculty and six students elected by the Student Council. The election of students follows the acceptance of nominations by the Council and an interview session in front of the Student Council. One member of the High School Administration also attends meetings of the A.A.B. in a liaison capacity.

Pictured at left are *Front Row, L to R:* J. Ball, C. Demetry, R. Baer, K. Keaveny, D. Lanciani. *Second Row:* P. Morris, S. Laird, S. Rubenstein, W. Diamantopolous, G. Mitchell, P. Audette, J. Thieriault, M. Halal, Chairman.

STUDENT ADVISORY COUNCIL TO SCHOOL COMMITTEE

Five students are elected to represent the student body at all of the meetings of the Wachusett Regional School District Committee. Election is by the Student Council after applications are invited from all students in grades 10 through 12 and all applicants have been interviewed by the Council. The members of the S.A.C. may initiate agenda items with the School Committee and, although they are not voting members of the School Committee, are invited to take part in the discussions at School Committee meetings. During 1981-82 the S.A.C. has been particularly active in monitoring the effects of Proposition 2½, of soliciting student opinion regarding possible changes in the lunch schedule and otherwise representing student views at meetings of the School Committee.

STUDENT ADVISORY COUNCIL TO REGIONAL OFFICE OF STATE DEPT. OF EDUCATION

Each school in Worcester County elects a delegate and an alternate to represent the student body at the Regional Office of the State Department of Education in West Boylston. These students form a student advisory group to the Department and, in turn, elect student representatives to the Department of Education in Boston. Thus a student voice is added to the deliberations of issues facing Massachusetts schools.

MODEL UNITED NATIONS

Wachusett's Model U.N. Club, now in its eighth year, involves itself in international affairs and problems, participates in annual Model United Nations conferences with other high school students from all over the country, and meets regularly to hone the members' skills in dealing with international problems and in debating skills. This year Wachusett sent nineteen delegates to represent Denmark at the National High School Model United Nations Conference in New York City in March. More than twenty students, representing several different nations, also attended the annual Assumption College Model United Nations conference in May.

BICYCLING CLUB

The W.R.H.S. Bicycling Club has been in existence for a number of years and the membership has taken bike trips to New Hampshire, Canada, Cape Cod, and around the region. Physical fitness and the love of the outdoors are prerequisites for this club and the membership does not hesitate to take off on three to seven day bike rides a couple of times during the school year.

Pictured at left are *L to R:* G. Maiser, G. Kelley, T. Snelson, G. Wilson, T. Snelson, J. Park, J. Borggaard, T. Snelson, Advisor.

SAILING CLUB

The Sailing Club has forty active members who sail once a week during the Spring and Fall at Regatta Point on Lake Quinsigamond. The purpose of the club is to allow students who have sailed before as well as beginners to learn and practice sailing techniques. In addition to sailing once a week, the Club took a weekend trip to Nantucket Island and held a cookout and a moonlight sail at Regatta Point. In addition to faculty advisor, Mr. Miles, the Sailing Club benefited from the help given it by W.R.H.S. volunteer, Mrs. Thelma Heath.

ROCK CLIMBING CLUB

The Rock Climbing Club was a natural offshoot of Wachusett's Project Adventure curriculum in Physical Education classes. The club has been in operation for several years and during the fall and spring several afternoon and weekend trips are taken to local climbing spots like Purgatory Chasm. Safety is a very important ingredient in the activities of the Club and teamwork is stressed in this club's activities.

Pictured at left are *L to R:* C. Roberts, C. Robinson, T. Snelson, Advisor; T. Lowe, E. Stannard, T. Putnam.

CHESS CLUB

The fifty member Chess Club is busy during most Activity Periods of the year in Room 230. Because of the large number of students who wished to participate in the club this year it was necessary to divide the membership into two groups with Mr. Weis advising on Tuesdays and Mr. Leonard on Thursdays. Play was informal until March when intra-club competition began in earnest. The club individual and team champions are determined in late Spring of each year.

CHESS TEAM

The W.R.H.S. Chess Team, a Charter Member of the Central Massachusetts Scholastic Chess League, played Oxford, St. John's and Worcester Academy in a Proposition 2½-reduced-league this past year. Season highlights included a draw against an Oxford team which hadn't lost a league match in over three years and a win over Worcester Academy that avenged an early season loss and nailed down second place in the league. In addition to post-season play, the Chess Team played in the Five Man Team Championship and the Central Massachusetts Singles Championships.

CRIBBAGE CLUB

The Cribbage Club, in its maiden voyage this year, was formed so that our resident cribbage magicians might match wits, argue strategy, and swap tall tales about great cribbage hands of yore. The club played regularly throughout the school year and held double elimination tournaments for singles and doubles school championships. Thus far, the club is still intra-mural in nature but hopes are high that the near future will enable members to challenge other schools at this, the Yankee-est of all card games.

FRENCH HONOR SOCIETY

Wachusett's Foreign Language Department honors its outstanding French students by electing them to the school's chapter of the French National Honor Society. In order to become a member of the Society a student must have completed 2½ years of the study of French and achieved a grade no lower than '85' for that period of time. While the society is mainly honorary in nature the Foreign Language Department traditionally schedules a trip to a French Restaurant and Museum in Boston for the old and new membership each Spring. In addition members of the Society are encouraged to tutor other students in their French studies.

NATIONAL HONOR SOCIETY

Wachusett Regional High School has a local chapter of the National Honor Society. This honorary society admits to membership juniors and seniors nominated by members of the faculty who excel in Scholarship, Leadership, Service and Character. To be eligible for nomination to the N.H.S. students must have a weighted average of 90.0 or better at the mid-point of their sophomore and junior years. Nominated members are screened and finally selected for membership by a committee of faculty members. Although primarily honorary, the N.H.S. does assume projects during the school year and always runs the Induction Ceremonies for new members in May of each school year.

SPANISH HONOR SOCIETY

W.R.H.S.'s Foreign Language Department has a local chapter of the Spanish National Honor Society. Membership in this honorary society is based on proficiency and achievement in the study of the Spanish Language in high school. Members must have been enrolled in three years of the study of Spanish and are eligible for membership only if they have succeeded in maintaning an average that does not drop below 85%.

ECHO

Echo is the monthly newspaper of Wachusett Regional High School. Its very competent and busy staff of reporters and photographers researches stories that are both school and community oriented. A much-awarded school newspaper, Echo in 1981-82 won Highest Honors at the Boston University Press Conference and placed second in the Columbia University Press Conference — this latter award being a national commendation.

RHUBARB PIE

Rhubarb Pie is Wachusett's creative arts magazine. It contains poetry, prose, photography and artwork. Its purpose is to expose students and faculty to the arts and to encourage them to use their talents outside of the classroom. Prizes are awarded in each of the categories for the most outstanding works. For the past two years *Rhubarb Pie* has been entered in the New England Scholastic Press Association's competition, and has won First Prize both times.

LIBRARY CLUB

The W.R.H.S. Library Club was somewhat stifled by the construction of a new library during 1981-82. The books from the old library were packed away and, because of late delivery of shelving, the library didn't open until May 1. Be that as it may, the Library Club served a useful and necessary purpose. Library Club members assist the librarian in all kinds of activities and help fellow students find materials as well as assisting faculty and others in the use of the library. In addition to the chores associated with being a Library Club member, the club membership take part in a wide variety of social activities sponsored by the club.

WIND ENSEMBLE

The Wachusett Regional Wind Ensemble is the premiere performing instrumental group in the school. Under the direction of Mr. Grimo the Wind Ensemble placed third in the state in the Massachusetts Instrumental Conductors' Association's annual competition — and their rating was only five points off a second place finish and eleven off the first place score. Three students from this group were named to the National Honors Band which will be held June 17-19, 1982, in Kansas City; Tim Catlin, trombone; Sue Kimball, clarinet; Dan Gregerman, contrabass clarinet.

MUSIC COUNCIL

The Music Council is elected by the students in all of the performing groups and its function is to coordinate all of the many activities of the Music Education Department especially as they involve the performance of the various groups in the department.

CONCERT BAND

The Concert Band is the second of the two performing groups in the Music Education Department that plays a full concert schedule. This band provides the training ground for the Wind Ensemble and, in fact, contains some who also double in the Wind Ensemble so that musical balance can be attained in both groups. At the M.I.C.A. competition in the spring, the Concert Band received a divisional rating in competition with many bands that were the only musical group in their high schools. The Concert Band shares the stage several times a year with the Wind Ensemble and the vocal groups that perform at Wachusett.

WACHUSETT SINGERS

The Wachusett Singers are the premiere choral performing group at the high school and one of the foremost choral groups in the state. All of the members of the Singers must audition in order to be accepted into this chorus and all members are very serious musicians with a number of them doubling in instrumental groups. This year three members of the Singers were chosen to be part of the National Honors Choir — three out of only nine allowed from the entire state of Massachusetts. As this book is being published the Singers are preparing for their annual adjudication at the Massachusetts Chapter of the Choral Music Directors Association.

MUSIC EDUCATION PERFORMING GROUPS

1981-82 was another very exciting and productive year for the Music Education Department's Performing Groups, with record numbers of students participating in the music festivals and more than ten performing group activities. The highlight of the year for the musicians was the Composers Weekend of May 14-15, 1982. Mr. Elliot Del Borgo of S.U.N.Y. Potsdam and Mr. Daniel Pinkham of the New England Conservatory of Music spent the weekend rehearsing the Wind Ensemble and Singers respectively for pieces that each had written specifically for the Wachusett groups. The pieces were premiered in an exciting May 15 Concert and when published, the music will have Wachusett's name on them.

In addition to the above the performing groups all took part in regional and state competitions and many, many of the individuals in each group qualified for regional, state and New England festivals. In April the Wind Ensemble and Singers journeyed to Montreal, Canada for an Exchange Concert with West Mount High School — a concert that was returned by the Montreal high school in May.

Finally, this was the year that the Jazz Ensemble came into its own. Outfitted in new uniforms, this outstanding group took part in the state competition and did very well for its first trip to this competition. In addition the Jazz Ensemble played at Booster Club activities, at the National Honor Society Induction Ceremonies and at school assemblies.

CONCERT CHORUS

The Concert Chorus is the largest choral group at Wachusett with a total strength of over 70 members. Perhaps the highlight of this year for the Chorus was combining with the Wachusett Singers and over 70 other voices from Belmont High School, Quabbin Regional Hlgh School and Acton-Boxborough High School to do two performances of choruses from Carl Orff's *Carmina Burana*.

D.E.C.A

The Distributive Education Club of America, Wachusett Chapter, is an extremely active club. The members of this club run the School Store, take part in a number of fund-raising activities and are very diligent in running projects that benefit the Muscular Dystrophy Association — an Association that has honored Wachusett's D.E.C.A. club with a plaque and award. The purpose of the club is to put into practice what is being taught in the Distributive Education classroom where students learn about the retailing business. The Wachusett Chapter of D.E.C.A. is very active in the State Association and attends meetings and enters into competition with other Chapters across the state. In 1982 Donna Billsten, '83, finished very high in one phase of the state D.E.C.A. competition.

OFFICE EDUCATION ASSOCIATION

The Office Education Association is a vocational organization for students at the secondary and post-secondary levels who are enrolled in the Business Education curriculum. The purpose of the Association is to encourage students to develop professional skills and increase social awareness through participation in state-wide conferences and ongoing local Chapter activities. Wachusett Business Education students are members of the Massachusetts branch of the National O.E.A. The Wachusett O.E.A. Chapter took a very active part in state activities in 1981-82 by attending the Leadership Conference at Burlington High School and by competing in the Regional Competitions held at Southbridge High School. The Chapter was also represented at the State Leadership Competitions and Conference. Two of Wachusett's students — Lisa Charland and Merrilea Redfield — placed high enough in the State Leadership Competitions to be asked to represent the state of Massachusetts at the National O.E.A. Leadership Conference in Nashville, Tennessee.

FOODS CLUB

The Foods Club was established this year in order to expose a greater number of students to what goes on in Home Economics. Members learn about basic nutrition through the preparation of quick meals and snack foods. Refreshments for Parents' Night were prepared and served by the members of the Foods Club. Field trips to restaurants and other food-related businesses were also part of the activities of this club during its first year in existence.

FUTURE FARMERS OF AMERICA

Wachusett's F.F.A. Chapter has a long and proud tradition of service to the school and the community. Membership in the F.F.A. is drawn from students who are part of the Vocational Agriculture Department at the school. The Chapter is extremely active in state F.F.A. activities and competition. During 1981-82 the Chapter walked away from the State F.F.A. competition with a record number of individual and team honors. Among the awards received at the Convention was "Building Our American Communities" (BOAC) Award for the work done by the Chapter in beautifying the Freshman Pond at the beginning of the school's driveway during the spring of 1981. The Chapter has already begun a new B.O.A.C. project — replacing the letters that spell out W.R.H.S. on a hill overlooking the school's athletic field.

Among the many vocational skills learned by members of the Vocational Agriculture Department is meat cutting. During the course of the school year a large number of deer and other "critters" are brought into the department to be slaughtered, sized and the meat packaged. In all cases a small charge is made to the person having the work done with the proceeds going to the F.F.A. Chapter. The picture at the right shows the beginning process of breaking down a deer.

FUTURE HOMEMAKERS OF AMERICA

Wachusett's Chapter of the Future Homemakers of America is an offshoot of the work of our Home Economics Department. In addition to the traditional skills taught in Home Economics courses the F.H.A. now also encompasses a vocational role in its affiliation with Home Economics Related Occupations (H.E.R.O.). Meetings of the F.H.A. often include guest speakers who highlight occupations that evolve through training in Home Economics. In addition students in the F.H.A. work on homecrafts and community service projects.

DANCE THEATRE
WEST SIDE STORY **CAST**

In the Special Events section of the Yearbook there is a special layout of the 1981-82 Dance Theatre production of *West Side Story* and *Jazz Jam*. On this page the faces of the students behind all of the hard work are featured. In addition to those shown on this page there were many other students, past and present, helpers from Ms. Wanamaker's dance studio and a large number of faculty workers who did everything from costume design/sewing to set production, tickets, and you name it! One of the hallmarks of Wachusett's performing arts groups is, in fact, the large number of unpaid and volunteer faculty that participate both on stage and behind the scenes.

Pictured at left are *Front Row, L to R:* E. Carlson, L. Chin, K. Donegan, M. Miles, S. Wickman. *Second Row:* A. Landgren, K. Lederer, J. Helle, N. Juralewicz, A. Evans, K. Aijala, E. Stacey, J. DANCE THEATRE CREW

The picture at the right shows some of the many students who work backstage to make the performances on the stage as good as they are. These students spend as many, if not more, hours working on sets, costumes, publicity, lighting, etc. as the performers and they are as important to the production as those under the kleig lights!

DANCE THEATRE
JAZZ JAM **CAST**

The second half of this year's Dance Theatre production was a series of modern dances done to the live tunes of the Wachusett Jazz Ensemble. Just as bittersweet as *West Side Story* was so was *Jazz Jam* a delightful blend of old-style band music and modern dance routines which were choreographed by many of the dancers performing the numbers.

POLITICAL DISCOVERY

Wachusett has taken part in the Political Discovery program for the past several years. Students who are interested in learning more about state government firsthand spend a week in Boston. While there they attend seminars conducted by state officials, hear talks on current issues, and debate some of the current problems facing the Commonwealth of Massachusetts. They also have an opportunity to interact with students from other high schools around the state and at the end of the week most participants both understand a little more about our government and also are motivated to continue their involvement in community affairs at both the local and state levels. Mr. Cornacchioli has been advisor to this group since its inception four years ago.

Pictured at left are *L to R:* D. Forhan, M. Hibbard, M. Kelley, D. Casey. Missing from picture are Mr. Cornacchioli, Advisor; D. Bunting.

CLOSE UP

Close Up is the national model from which the Political Discovery Program was adapted. For the past three years Wachusett students have traveled to Washington, D.C. and engaged in a national program along the same line as the students attending the Political Discovery program. This year's delegates heard talks by both Senators Tsongas and Kennedy and were paired up with a group of students from high schools in Miami, Florida.

Pictured at left are *L to R:* K. Pratt, J. Theriault, K. Berka, D. Casey. *Missing From Picture:* D. Bunting; Advisor Mr. Cornacchioli.

STUDENT GOVERNMENT DAY REPRESENTATIVES

Every year one student and an alternate are chosen to represent their high schools in Boston as student take over state government for the day.

Pictured at right *L to R:* D. Forhan, alternate; E. Robbins, delegate, *Missing From Picture:* J. Burke, Advisor.

FIDDLER ON THE ROOF ORCHESTRA

One of the delights of the *Fiddler on the Roof* production — in addition to the marvelous production itself — was the use of some of Wachusett's student musicians in the pit orchestra. These young people worked extremely hard learning the difficult score and were much appreciated by the audiences who saw any of the four performances of *Fiddler.*

YEARBOOK STAFF

The 1982 Yearbook Staff has incorporated a lot of new ideas into this year's book. Along with an expanded Special Events and Organizations section a great deal of effort has been made to add verbiage to the pictures that they hope will mean even more to those looking at the Yearbook from time to time over the next several years. The singular most radical departure from all other W.R.H.S. yearbooks is the summer delivery of the 1982 book which will combine a chicken barbecue dinner with distribution of yearbooks in mid-August. This summer delivery also means that for the first time all of the senior activities, and spring sports for that matter, will be contained within one binding!! The Staff hopes that those who are given or purchase the 1982 Yearbook will like it!!!

SKI CLUB

The Ski Club is the largest club at Wachusett numbering over 300 paid-up members! Because of its size no picture of the entire club could be taken. The picture at the right, therefore, is just the group of club members who journeyed to Killington in Vermont at the end of February — and who waited around to have the picture snapped instead of heading off to the mountains! Long time advisors to the Club are Mr. Gillberg, Mr. Baer and Mr. Swanson.

Pictured at right are *Front Row, L to R:* With ski parkas and hats on the Yearbook Staff invites you to identify your favorite skier. Since this is a picture to represent three hundred active members it is perhaps appropriate that the names be left to your imagination. A free lottery ticket to whomever comes up with the right set of names first!!!

SCIENCE SEMINAR

The Science Seminar is made up of highly motivated and high scoring science students who qualify for the Seminar by passing a difficult national science test. The Seminar meets Tuesday evenings at Wachusett and the faculty for the Seminar is drawn from the scientific community of Worcester County. One of the requirements of the Seminar is that each participant do a Science Project and enter it in the W.R.H.S. Science Fair. Winners at the Wachusett Fair are entered in the Worcester County and Boston Globe Science Fairs and Wachusett's record for state winners is among the best, if not the best in the entire Commonwealth.

SENIOR CLASS TRIP TO . . .

On May 20th, the Senior Class departed the school parking lot heading for Frank Davis Resort in Moodus, Conn. At first as the six coach busses were leaving, the weather appeared to many of us that the day would be chilly, damp, and gloomy. However our prayers were answered and the day turned out to be sunny, hot and humid with only one afternoon thunder shower.

FRANK DAVIS RESORT

The day turned out to be full of fun and excitement. Many had tried out their skills in water skiing, tennis, volleyball, softball, and basketball along with the astonishing wins in the canoe and swimming races. Everyone left that evening with a remembrance that all will treasure.

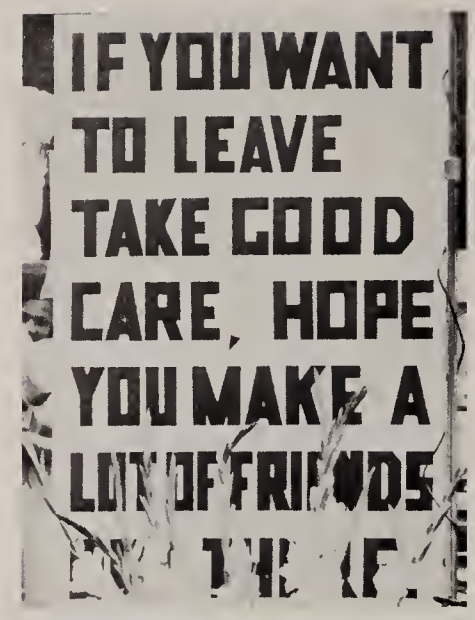
SENIOR PROM — MAY 27, 1982

The queen, Laurel Wilkinson . . .

and her court D. Shimkus, M. Lussier, S. Perkins, L. Wilkinson, A. King, J. Graham, S. Burnham

On Thursday, May 27, the seniors had their senior prom in the Sheraton in Sturbridge. Dancing to the music of Black Apple, everyone had a good time. The theme of this year's senior prom was "The Famous Final Scene" and the evening turned out to be a memorable one.

Graduation — June 12, 1982



"This has been a sunshine class. A class of caring people who truly have laughed and cried, shared success and failure, been touched by the ups of ecstacy and the downs of tragedy more profoundly than most classes are."

The editors of the yearbook and everyone else that was involved wish to thank our advisor, Mr. Harold Lane. Without his unending support and encouragement this yearbook would not have been completed.

Thank you Mr. Lane

The yearbook editors hard at work J. Flanagan, K. Berka, J. Park, K. Gagnon.
